

Free Food Hygiene Course Schedule 2021

Council's Environmental Health Services are again running the Food Hygiene Courses in 2020. The aim of the course is to provide participants with basic food hygiene skills and knowledge that satisfies the requirements of the *FSANZ: Food Standard Code*.

It is recommended that all food handlers involved with a food business or community organisations, who have not undertaken any training in food hygiene, attend a course. Courses continue to be free of charge.

As the requirements for licensed food premises and community organisations vary, Council is offering two (2) types of courses which are tailored to the requirements of either licensed food premises or community organisations.

Venue Bundaberg Regional Council – Woongarra Street Training Room
78 Woongarra Street
BUNDABERG CENTRAL QLD 4670

Date	Time	Type of Course
25 March 2021	1:30pm to 4:00pm	Community Organisation
10 June 2021	9:00am to 12:00pm	Business Organisation
23 September 2021	5:30pm to 9:00pm	Community Organisation
9 December 2021	5:30pm to 9:00pm	Business Organisation

Please note: that this course does not cover the competencies required to become a food safety supervisor.

Council is able to hold Food Hygiene Courses at alternative dates, times and venues suitable to your organisation or business if there are more than 15 participants.

**To arrange a booking or for more information please contact Council's
Community and Environment Administration on 1300 883 699.**

Alternatively, Council also offers a free online, interactive Food Safety Course, called **I'M ALERT** available at <http://www.imalert.com.au/foodsafety/bundaberg/bundaberg-food-safety.php>
